

## 7 Great Ways to Raise Your Donation

### 1. Mini M & M tubes

Fill one mini M&M tube with quarters, you've got \$14. Fill 3 tubes, and you've raised \$42!

### 2. Keep the change

Pay for everything you can in cash for the next few weeks, and keep the change in a jar - it adds up quickly!

### 3. Sponsorships

Ask friends, family, classmates, and co-workers to sponsor you for this event with a meals-packed-per-hour donation.

### 4. Matching funds

Some companies pay at least \$10 for each hour their employees volunteer - all you have to do is sign up on a list when you check in at the event. Check to see if your company also offers matching funds!

### 5. Hunger jar

Ask your church, class, club, office or any organization you're involved in to take up a donation for this food pack out. Provide them with an old jar and call it a "Hunger Jar!" We have postcards available to hand out with information about the event.

### 6. Skip the soda

When you eat out, drink water instead of soda. Put the savings in your donation jar.

### 7. Rice for dinner

Serve your family only rice for dinner one night and gain a better understanding of what a meal is like for many hungry families around the world. Put the money you saved on that meal toward your donation.
